Corrective

Emergency

Objectives of Maintenance

Minimize
the
chance of
equipment
failure

Maximize
the useful
life of the
equipment

Shorten
the length
of
scheduled
downtimes

slido

**Does your plant do CEMS
maintenance?**

① Start presenting to display the poll results on this slide.

Let's Ask Eric

Q:
What percentage
of calls for
immediate service
or help
troubleshooting an
issue do you think
are due to not
completing
maintenance tasks?

A:
25% some
customers do not do
any maintenance,
rebuilding pumps,
etc..

When poll is active respond at PollEv.com/carrieorbaker954 Send [carrieorbaker954](#) to 22333

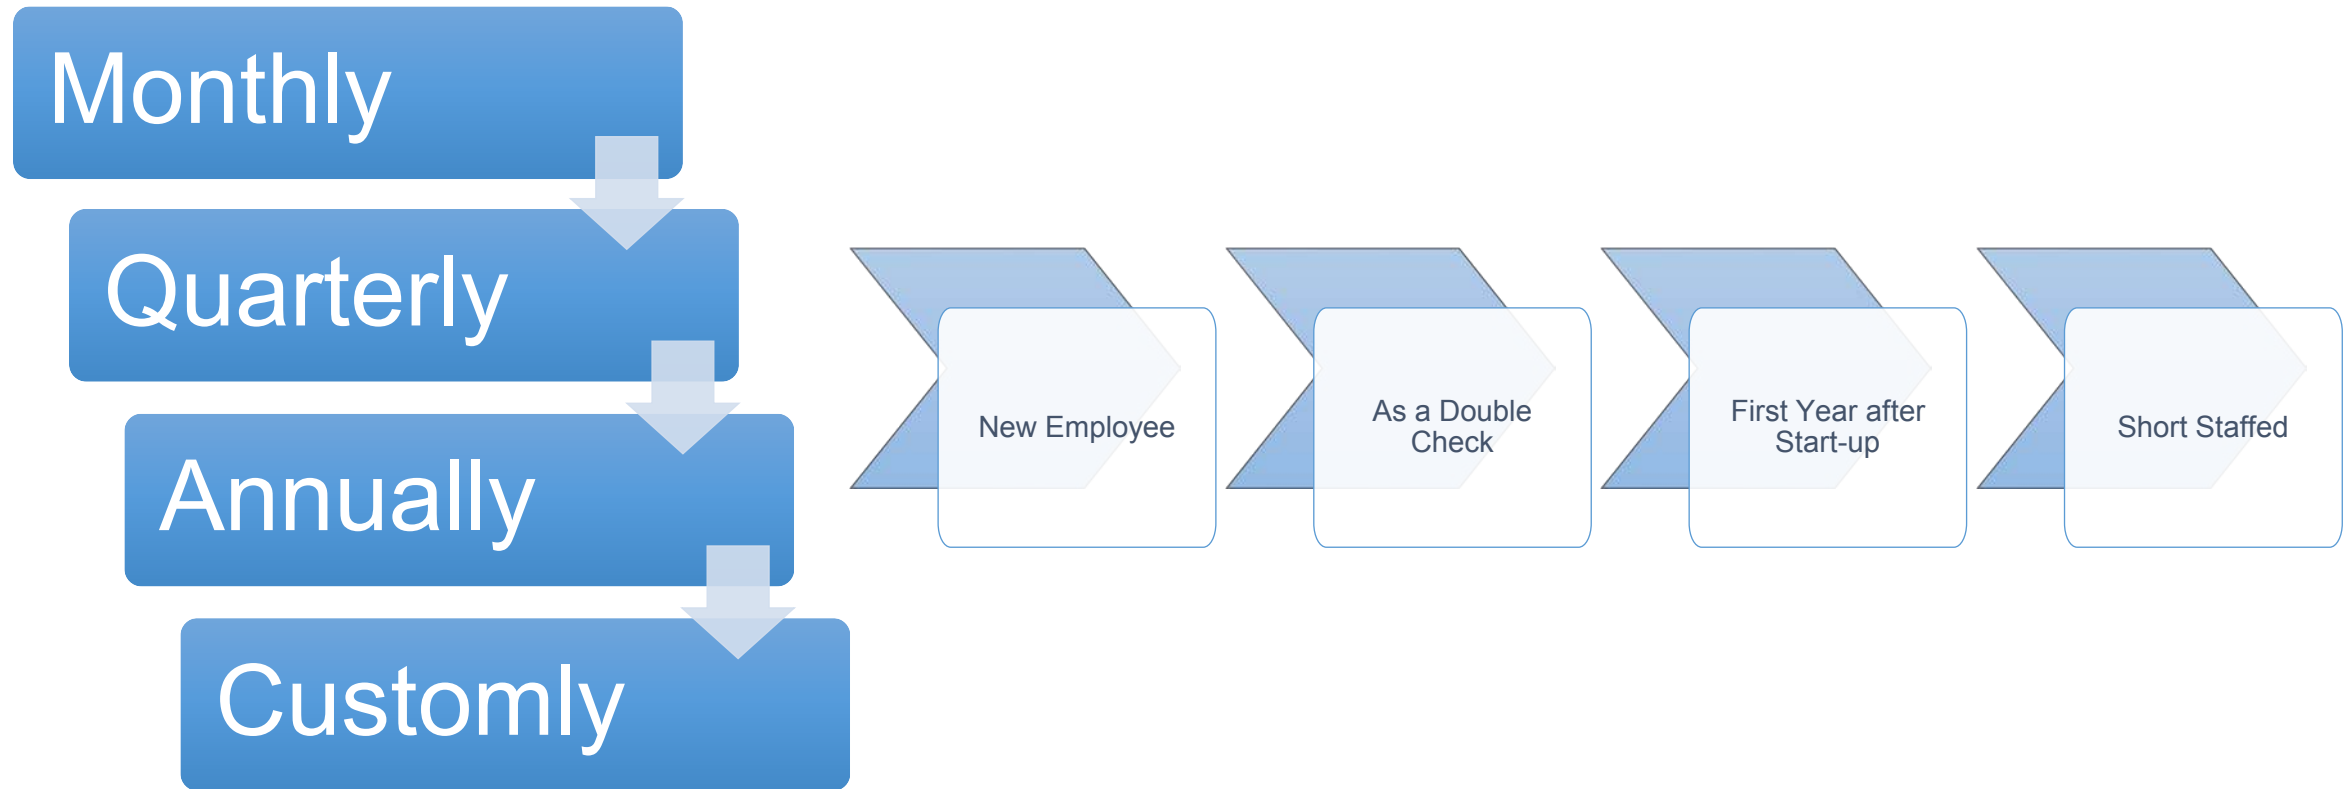

What maintenance issues, concerns or questions do you have?

Nobody has responded yet.

Hang tight! Responses are coming in.

Maintenance Contracts

To request a quote, send an email to: orders@ciscocems.com

Imagination? Use it, Please.

If remote service was an option, do you think you would choose it over having a tech onsite?

How about if the cost for an onsite visit is \$5,000 and remote service costs \$1,500, do you think you would pick the remote option?

Thank you for attending the 2023 Cisco CEMS User's Group Meeting

(and hanging in there until the boring bitter end)!

See you next year!
