

CUSTOM INSTRUMENTATION  
SERVICES CORPORATION

# **CISCO CEMS Online Training Center Catalog**

## Table of Contents

Introduction to CeDAR Software .....	3
CeDAR Data Monitor.....	3
CeDAR Data Editor .....	4
CeDAR Reports.....	5
breez75x.....	6
RealView .....	6
Protocol Gas Verification Program (PGVP) .....	7
Tools.....	8

## Introduction to CeDAR Software

Title	Suggested Users	Format	Length
Introduction to CeDAR 6	All User Groups	Video	2:35
PLC Communications	All User Groups	Video	4:35
What is a CFR?	All User Groups	Video	4:09
40CFR60 vs. 40CFR75	All User Groups	Video	7:48
Data Values	All User Groups	Video	2:52
Monitor Codes	All User Groups	Video	3:38
Interpreting Monitor Codes	All User Groups	Video	3:40
Process Codes	All User Groups	Video	2:38
Quadrant Checks	All User Groups	Video	4:33
How Monitor Codes are Derived	All User Groups	Video	6:07
Data Averages	All User Groups	Video	4:40
Calculated Values	All User Groups	Video	4:51

## CeDAR Data Monitor

Title	Suggested Users	Format	Length
Introduction to the CeDAR 6 Data Monitor	All User Groups	Video	3:59
Data Monitor File Menu	All User Groups	Video	1:56
Data Monitor Alarms	All User Groups	Video	6:52
Daily Calibration Check Parameters and Reference Gases	All User Groups	Video	4:51
Daily Calibration Check Fail Limits	All User Groups	Video	11:15
When to Run a Daily Calibration Check	All User Groups	Video	5:00
Data Monitor Calibration Checks	All User Groups	Video	7:15
Emissions and Operations Windows	All User Groups	Video	6:34
Data Monitor Giant Numbers	All User Groups	Video	5:21
Data Monitor Trends	All User Groups	Video	8:04
I/O Auditing	Technician, Environmental	Video	3:35
Introduction to CeDAR Settings	Technician, Environmental	Video	4:45
Data Monitor Settings	Technician, Environmental	Video	4:29
Entering PGVP Daily Calibration Check Settings in CeDAR	Technician, Environmental	Video	4:20

## CeDAR Data Editor

Title	Suggested Users	Format	Length
Introduction to the CeDAR 6 Data Editor	Technician, Environmental	Video	3:17
Daily Calibration Check Parameters and Reference Gases	Technician, Environmental	Video	4:51
Daily Calibration Check Fail Limits	Technician, Environmental	Video	11:15
When to Run a Daily Calibration Check	Technician, Environmental	Video	5:00
CeDAR 6 Data Editor Calibration Checks	Technician, Environmental	Video	7:15
Graph Daily Calibration Checks	Technician, Environmental	Video	6:05
Graph Data Values	Technician, Environmental	Video	6:52
Data Editing Scenarios	Environmental	Video	6:26
Edit Database Values	Environmental	Video	8:11
Analyzer and Monitor Information	Technician, Environmental	Video	3:14
CGA and Linearity Check Regulations	Technician, Environmental	Video	4:21
CGA and Linearity Check Reference Gases	Technician, Environmental	Video	3:40
CGA and Linearity Check Fail Limits	Technician, Environmental	Video	2:07
Automated Linearity Checks	Technician, Environmental	Video	7:55
Linearity Check Reasons	Technician, Environmental	Video	5:44
Introduction to the CeDAR Settings	Technician, Environmental	Video	4:45
Entering PGVP Daily Calibration Check Settings in CeDAR	Technician, Environmental	Video	4:20

## CeDAR Reports

Title	Suggested Users	Format	Length
Introduction to CeDAR Reports	All User Groups	Video	7:14
Daily Calibration Check Parameters and Reference gases	All User Groups	Video	4:51
Daily Calibration Check Fail Limits	All User Groups	Video	11:15
When to Run a Daily Calibration Check	All User Groups	Video	5:00
Calibration Checks Reports	All User Groups	Video	5:42
Excess Emissions Reports	Environmental	Video	7:58
CEMS Downtime Reports	Environmental	Video	7:38
I/O Audit Reports	Technician, Environmental	Video	3:28
CGA and Linearity Check Regulations	Technician, Environmental	Video	4:21
CGA and Linearity Check Reference Gases	Technician, Environmental	Video	3:40
CGA and Linearity Check Fail Limits	Technician, Environmental	Video	2:07
CGA and Linearity Check Reports	Technician, Environmental	Video	5:43
Auto Reports	Administrative	Video	6:52
Create Custom Reports	Environmental	Video	11:40
Modify, Duplicate, and Delete Custom Reports	Environmental	Video	4:08

## breez75x

Title	Suggested Users	Format	Length
Introduction to 40CFR75	Environmental	Video	5:22
40CFR75 Software Overview	Environmental	Video	4:10
Setting Up Directories for breez75x	Environmental	Video	5:02
Open breez75x after Configuration	Environmental	Video	3:45
breez75x Linearity Checks	Environmental	Video	5:44
Enter or Edit 40CFR75 Linearity Check PGVP Information in breez75x	Environmental	Video	3:49
Introduction to Emission Controls	Environmental	Video	2:47
Addressing 40CFR75 Emission Controls in breez75x	Environmental	Video	4:19

## RealView

Title	Suggested Users	Format	Length
Introduction to RealView	Technicians	Video	3:26
RealView Overview	Technicians	Video	2:52

---

# Protocol Gas Verification Program (PGVP)

---

Title	Suggested Users	Format	Length
Introduction to PGVP	Technician, Environmental	Video	7:59
Explanation of PGVP Gas Type Codes	Technician, Environmental	Video	2:28
Enter PGVP Daily Calibration Check Settings in CeDAR	Technician, Environmental	Video	3:25
Enter PGVP Linearity Check Information in CeDAR	Technician, Environmental	Video	5:44
Enter Calibration Check PGVP Information in breez75X	Environmental	Video	3:32
Enter PGVP Linearity Check Information in breez75X	Environmental	Video	3:40

## Tools

Title	Suggested Users	Format	Length
Calibration Gas Audit (CGA) Fail Limits and Reference Gases	Technician, Environmental	PDF	1 Page
CISCO CEMS Online Training Center Glossary	All User Groups	PDF	23 pages
CO Low Range Cycle Time Response Test Procedure	Technician, Environmental	PDF	1 page
Comparative Analysis of CO2 Mass Emissions Determination Methods	Environmental, Management	PDF	3 Pages
Daily Calibration Check Fail Limits and Reference Gases - Part 60 and Part 75	Technician, Environmental	PDF	2 Pages
Daily Calibration Check Fail Limits and Reference Gases - Part 60 Only	Technician, Environmental	PDF	1 Page
Linearity Check Fail Limits and Reference Gases	Technician, Environmental	PDF	1 Page
List of Resources	Technician, Environmental	PDF	1 Page
Procedure to Enter the Reason for Offline Linearity Check	Technician, Environmental	PDF	1 Page
Quarterly Questionnaire for 40CFR75 Reporting	Environmental, Management	PDF	1 Page
Recertification Timeline for Like-Kind Analyzer Replacement	Technician, Environmental	PDF	1 page
