

Analyzer Team Updates

Chris Eidsvik & Austin Green
Analyzer Technicians

Your New Analyzer Team

- Happy Retirement Ray Rummel!
- New Analyzer Team: Chris Eidsvik, Austin Green
- Quality of Service

Rosemounts Discontinued

- Analyzer spare parts have been discontinued.
- Rosemount training will not be available.

Siemens Series 7 Analyzer

- Siemens Series 7 is the newest analyzer series from Siemens which provides improved reliability and measurement readings.
- The design allows for more modular serviceability and less maintenance requirements.
- Across board memory allows for part replacement and setting retention.
- An in depth review and examination is coming soon...

Teledyne API N Series Analyzer

- The N Series is the newest analyzer series from Teledyne, continuing with the easy-to-use model of Teledyne API.
- The series features improved system stability, network communications, and system speed.
- Cable connections are simplified and replacement parts are easy to install, pre-tested and field calibrated.
- An in depth review and examination is coming soon...

Thermo iQ Analyzer Training

- We are now offering Thermo iQ Analyzer Training onsite at CiSCO!
 - Thermo iQ 42 NO_x with O₂
 - Thermo iQ 48 CO
- Email orders@ciscocems.com for pricing and P.O.'s.
