

2024 CISCO CEMS User's Group

Walt Bastron

President

September 10, 2024

What these two days all about

- Sharing of ideas [both ours and yours] between each other and with CiSCO personnel
- Learning about what's happening at CiSCO
- Having industry experts here to share their insights and ideas
- CiSCO will be listening to all of you about what you want to see in the coming months and years to make our products and services better
- Putting a face to a name (both for us and for you)
- Getting your questions answered
